Notes Don Lash
 Taken 1936 by Peter F. Murphy, Jr., Milwaukee, Wisconsin.
 Don Lash ran in the 1936 Olympics and won several world records. Lash also enjoyed an outstanding college career at Indiana University and received the Sullivan Award as the country's outstanding amateur athlete in 1938.
 Lash also owned every national record from 3,000 to 10,000 meters in 1935, '36, and '37.
 "Zeke Young is one of the greatest", Lash said. He really was a great influence on me. A lot of what I've done is to his credit. Running is what I enjoyed most and he helped me with it. But he's helped hundreds of boys. Lash competed in
